**QUICK TOUCH, EASY FIND!**

## TSP Invest Program

Companies are invited to Partner with MAINTERCEPT Mobile App, a revolutionary platform where property owners and tenants find Technical Service Personnel (TSPs) to attend to property maintenance issues. Companies adopt individual artisans, technicians and engineers (TSPs), pay them monthly retainers and thereafter, the revenue generated through the App is paid tri-monthly to the respective companies (less \$15.99 (USD) per job, transfer costs and bonuses)

### Companies

Contract with individual artisans, technicians and engineers (TSPs), and pay them through Maintercept, a monthly retainer of R10k (ZAR) per TSP for 3 years.

#### → Benefit to Companies

- Derive unlimited revenue from various locations.
- No statutory obligations normally associated with permanent employees.
- No hidden costs: Pay once-off joining fee of R10k (ZAR) per TSP per 3 years.
- Receive quarterly TSP performance reports and statements.

### Technical Service Personnel (TSP)

Execute jobs through the App as per requests from various property owners & tenants, i.e., Clients.

#### → Benefit to TSP's

- Guaranteed income for 3-years.
- Paid bonuses, i.e., 20% of individually generated revenue exceeding R100k (ZAR) per month.
- Flexibility to manage own time and work from anywhere.

### Clients

Clients conveniently use Maintercept Mobile App to find TSPs across various technical disciplines.

#### → Benefit to Clients

- Clients are guaranteed quality service rendered by skilled TSPs.
- TSPs commit appropriate workmanship warranty depending on job type.

### Maintercept (Pty) Ltd
